As 'n "ou millennial" het Juanita Vorster die wêreld van werk ervaar, hoe dit voorheen was, sowel as waarheen dit reeds verskuif het. Sy put inspirasie uit diegene wat die gewone onthou, sowel as diegene wat die ongewone skeep.

Juanita is 'n suksesvolle besigheidseienaar en is gekwalifiseer as 'n Gesertifiseerde Direkteur (SA), Gesertifiseerde Etiek beamppte en Geoktrooieerde Openbare Betrekkinge Praktisyn.

Dit plaas Juanita in die unieke posisie om praktiese leiding te gee oor hoe om voor die kurwe te bly, selfs in hoogs gereguleerde omgewings.

Juanita glo dat enige persoon hul unieke uitdagings in opwindende geleenthede kan verander, en sy inspireer gereeld gehore om verandering te omhels, ontwigting te verwelkom en innoverend te wees.

As an “old millennial” Juanita Vorster has experienced the world of work how it used to be, as well as what it has already developed into.

She draws inspiration from both those who remember the usual, as well as those that are creating the unusual.

Juanita is a successful business owner and holds the designations of Certified Director (SA), Certified Ethics Officer, and Chartered Public Relations Practitioner.

Because of this she is uniquely positioned to give practical guidance on how to stay ahead of the curve, even in highly regulated environments.

Juanita believes that anyone can turn their unique challenges into exciting opportunities, and she regularly inspires audiences to embrace change, welcome disruption, and kickstart innovation.
